Coco Palm Ranks In "Top 25 All Star Affordable Hotels" In May Issue Of Caribbean Travel & Life

St Lucia's Coco Palm has made Caribbean Travel & Life's Top 25 All-Star Affordable Hotels coming in at number 18. The 10th Anniversary issue of "Affordable Caribbean" was granted a 10 page spread by the Editor in Chief which no doubt granted the story to reflect the current economy.

Journalist David Swanson noted "it's my dream team of great values on 21 different islands from research collected during 23 years of travel to the Caribbean." In the feature, Coco Palm is credited with features expected from 'acclaimed American boutique hotels,' the personalised Host service, well appointed rooms and amenities, free form pool along with the wide range of amenities within walking distance.

"Being recognised by such a prestigious publication gives credit to the philosophy we have at Coco Palm and Coco Kreole of offering luxury on a budget. Given the state of the economy travellers are looking for value without compromise" says Managing Director, Feolla Chastanet.

The May issue of Caribbean Travel & Life also includes Ti Kaye Village in the top 25 mix. In addition Coco Resorts has been awarded 2008 Best Value for Budget by Budget Magazine (2008), Expedia's Insiders List for number 1 in St Lucia, 4th in Caribbean and 38th in the world (2007); Virgin Holidays Gold Award for Best Small Hotel (2007) and Caribbean Hotel Association award for Best Small Hotel (2006).

About Coco Resorts

Coco Palm which opened in September 2005. Coco Resorts aims to offer the savvy traveller an opportunity to enjoy an authentic Caribbean experience by blending old world charm with modern day amenities at affordable prices. Each hotel is designed with a distinct Caribbean décor with both Coco Palm and Coco Kreole offering WiFi, cable TV, DVD, CD player, cordless phone, mini-refrigerator. The trademarks of Coco-Resorts are its "Hosts", individuals who are cross-trained and dedicated to specific rooms with the aim of personalizing each guest's experience and a simplified check-in/check-out procedure, which eliminates the traditional registration desk.
